

# Miriam Medo

Web Developer

In my pursuit of new creative endeavors, I was excited to find the Web Developer opportunity with Canonical. As a progressive professional, I believe that I can bring valuable contributions to your team.

I have 2 years experience building progressive web applications using React ,Typescript, Angular e.t.c and also Identifying innovative approaches and improved solutions to challenges .

Formerly in my previous Web Developer role, my successes have stemmed from essential skills, including website optimization, troubleshooting and resolving software problems. I have also enhanced my teamwork abilities and cultivated a reputation as a major contributor through problem-solving and communication.

I am a collaborative team player who is always searching for opportunities to impart valuable insights and learn. With these qualities, I am able to facilitate positive change and impacting outcomes.

For a greater presentation of my background and qualifications, please review my attached resume. I am eager to speak with you and greatly appreciate your consideration.

Best Regards,

Miriam Medo
